THE 2 SERIES
POWERFUL MOBILE POS

HIGH SECURITY, LOW PROFILE

The AMP 2 series Mobile POS terminal is ready to meet your demanding mobile transaction challenges, with high security and full functionality to support chip & PIN, swipe and contactless payment, wherever you need to. Easily connect via Bluetooth or USB to a smart device, and be ready whenever and wherever your customers are. All this, combined with the compact, portable design and durable enclosure, makes the 2 series a leading choice for portable payment convenience and customer satisfaction.
