

THE 6700

SMART MULTILANE PIN PAD

MULTIMEDIA-ENHANCED PAYMENT EXPERIENCE

Engage customers in new ways with the AMP 6 Series' crystal clear 7" color touch display and video capabilities, all while accepting payment options that appeal to them, like signature capture, tap, dip, swipe, and chip & PIN. The Android OS and a fully secure processor provide power and simple application development options to meet the most demanding needs of any multi-lane or self-checkout environment. Optimized for the next generation of value-added services, gift card issuing and support of loyalty schemes, the AMP 6 Series is the ultimate choice for a complete multimedia solution.
