THE 7 SERIES

PORTABLE HYBRID

COUNTERTOP ABILITIES, PORTABLE CONVENIENCE

All the performance of a countertop terminal, wherever you need it most. With the processing power and features of a stationary model distilled into a slimmer, portable enclosure with an optional added battery, the innovative AMP 7 Series moves with your transaction needs. There is no need to compromise speed, security or usability with extensive communications options including: GPRS, 3G, CDMA, WI-FI, PSTN, ethernet, and Bluetooth all built-in. Deliver a transaction experience tailored to your customers and your business needs with the high resolution, colour touch screen and ability to accept any payment, from swipe, dip, or tap to chip & PIN.
